An annual survey was conducted to assess the opinion of parents regarding the curriculum . Each year we ask parents to complete a feedback form to gain an insight into how college could improve on various parameters. On the year 20-21 forms were distributed among parents for collecting feedback based on 4 parameters.The collected feedback were tabulated and analysed and report is made for making further actions. Overall feedback on curriculum found quite positive. The respondents totally agreed that the course is suitable for improving the career of the students. Majority of them responded agreed the relevance of the course in the present time.Parents were found very positive about the workshops, seminars fieldwork's and other activities provided apart from the class room teaching. The majority of the parents opinionated that the study was periodically assessed through internal examinations , assignments and practical sessions.

#### **Actions taken:**

It was decided to give more skill development and add on courses for the overall development of students

It was decided to organise job fairs and giving training to the students .
