1. Courses content and quality are relevant meeting the standards	25	66.6	8.3	0	0
2. Quality of teaching provided is satisfactory	22.6	62	14.3	0	0
3. Courses provides desired outcomes	16.7	77.4	4.7	1	0
4. Courses contribute to overall development of the students	23.8	60.7	14.3	1	0
5. The course enhances employment opportunities	10.7	22.6	53.5	13	0

The feedback analysis process has put an increasing emphasis on the need for involvement of parents in the quality assurance of excellent education. Likewise every year at the end of the semester in the month of April, feedback forms are distributed to the parents . The overall feedback on curriculum was quite positive. Firstly opinion was taken about the quality and relevance of course , majority of the respondents agreed the course contents are meeting relevant standards. Majority of the parents agreed about the quality of teaching. Parents are affirmative about the courses are providing desired outcomes. Most of the parents agreed the course enhances employment opportunities. Finally the parents have diverse opinions regarding the influence of the courses in the overall development of the students.

Actions Taken:

It was decided to provide more add-on programmes for each course
