IQAC – St. Antony’s college Peruvanthanam

Internal Quality Assurance Cell is meant for planning, guiding and monitoring Quality Assurance and Quality Enhancement activities in the college.

As per National Assessment and Accreditation Council (NAAC) guidelines, every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC becomes a part of the institution’s system and works towards the realization of the goals of quality enhancement and sustenance.

Goals of IQAC

The primary aim of IQAC is

- *To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.*
- *To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.*

Functions of IQAC

- 1) Setting up quality benchmarks and parameters for different academic, operational, and administrative activities of educational institutions
- 2) Disseminating the information regarding developed benchmarks and parameters
- 3) Creating a learner-centric culture conducive to quality education
- 4) Helping faculty members adopt ICT tools to promote a participatory teaching-learning process
- 5) Act as a nodal agency, coordinating all quality-related tasks and areas, such as adhering to the best practices
- 6) Encouraging feedback from students, parents, and other stakeholders regarding quality-related processes in institutions
- 7) Documenting various quality improvement programs and activities
- 8) Conducting inter and intra-institutional workshops and seminars to discuss quality education
- 9) Developing a quality culture in college.
- 10) Maintaining an institutional database using MIS to enhance the overall performance and quality of institute.
